

Hybrid Program Overview, K - 8th Grade

Learn & Play - K/1 (Ages 5/6)

Half Day - 9:30 - 12:30 or Full Day - 9:00 - 2:00

Learn and Play is a sweet and developmentally appropriate program that offers students a soft start to learning in a guided setting. Students will enjoy guided reading instruction using a multisensory OG approach, along with a balanced routine of engaging, cross-curricular learning experiences, including a teacher-directed group time, hands-on learning centers, arts and crafts, STEAM projects, and outdoor play with friends. Limit 8 students!

Engage & Explore - Ages 6 - 9

Half Day - 9:30 - 12:30 or Full Day - 9:00 - 2:00

Engage and Explore is a theme-based learning program that offers hands-on, cross-curricular learning in a fun and engaging setting. Students love learning about a variety of topics through literature, craftivities, art, STEAM, math projects, outdoor play, and so much more! Limit 6 students!

Primary Hybrid - K - 3rd - 9:00 - 2:00

M/W or T/TH or M/W+T or M/W+TH or T or TH

We provide instruction in the core subjects using a relaxed and fun approach. Our mornings consist of leveled math, multisensory OG reading instruction, and ELA. Afternoons offer theme-based units in Science (M), STEAM (T), Social Studies (W), plus Art and World Cultures (TH). Our students enjoy a 30 minute morning recess and hour lunch break in our outdoor green space!

4th/5th Foundations - 9:00 - 2:00

Monday & Wednesday (Can be paired with T/TH)

Our Foundations program offers instruction in the core subjects, with added emphasis on reading and writing development using the Orton Gillingham approach. This class is perfect for students needing foundational support in reading and/or math.

Upper Hybrid & Middle School Cohorts - 4th - 8th

T/TH - 8:45 - 2:45 - Optional: Pair with Friday!

Our T/TH hybrid offers engaging, standards-based instruction in the core skills, including leveled math, reading, ELA, science, and social studies. Our students enjoy individualized academics in a social setting with an amazingly sweet and supportive group of peers!

Friday Learning Lab - 4th-8th - 8:45 - 2:45

Friday Only OR Pair with T/TH

Fridays complement our hybrid program, offering foundational math, writing and composition, lab-style science, and deep dives into world cultures, creating a comprehensive learning program. This program may be taken with the T/TH hybrid or as a standalone model.
