2023 – 2024 Program Descriptions

Hybrid Programs	Ages	Description
Kindergarten	5 – 6	Our youngest students thrive in a developmentally appropriate, experiential learning environment designed to nurture their social, emotional, and academic needs while teaching basic academic skills in a hands-on manner.
Primary 1 st – 3 rd	6 - 9	Our hybrid cohorts feature age-appropriate curriculum and instruction in the “*Core 4” subjects, along with opportunities for socialization, collaboration and enrichment. Students receive two days of in-class learning and two days of Home Study curriculum to complete off campus. We believe in a calm and happy environment that values quality over quantity, sparking creativity, igniting critical thinking, and learning through purposeful and engaging assignments.
Upper Elementary 4 th – 6 th	9 - 12	
Middle School 6 th – 8 th	12 - 14	
Additional Academic Day Options (K– 3)		
Supported Home Study + PBL Class	5 - 9	Students in our hybrid program receive two days of Home Study curriculum to complete at home. This option provides the opportunity for students to complete their work in class, supported by a teacher who can assist with instruction and answering questions. This is a full day option that includes a Project Based Learning Class.
Project Based Learning Opportunities (PBL)		
Engage & Explore!	5 - 9	Students will take deep dives into a variety of concepts and themes such as world cultures, animals, habitats, and SO much more! Literature, writing, art, and science will be interwoven into each unit!
Full STEAM Ahead	5 - 14	Students will use their investigative skills to learn about science art, technology, engineering, and math concepts by participating in exciting labs, STEM challenges, building projects, art exploration, cooking, and more!
Ink & Quill	9 - 14	This engaging class is designed for students who enjoy writing and want to explore both the "art" and technique of skillful writing. Students will work through a variety of writing forms (essays, poems, etc.) as well as learn the art of writing through calligraphy, journaling, and more!
Social Enrichment		
Friday Enrichment	5 - 14	Our Friday Enrichment classes are socially-focused and oh-so-much fun! Students participate in a variety of structured and unstructured activities, including STEAM challenges, art projects, games, free play, and more!
Full Day (9:00 – 2:00) Friday Stay & Play	5 - 9	Want to extend the fun? Stick around for lunch, cooking activities, free play, games, and so much more!
Full Day! Friday Create & Collaborate	9 - 14	After enjoying a social lunch period, students will participate in leadership and community-building opportunities such as planning EdV field trips and parties, developing conservation projects, and participating in community service opportunities.
