1:15 - 2:30 - Science / Social Studies

Fridays: Friday Learning Labs

Full day of hands-on learning labs including art, STEM, World Cultures, & FUNtastic Fusion - a perfect day of deep learning, socialization, and outdoor play!

Dynamic Instruction, Curated Learning

Engaging instruction in the core subjects through hands-on, multisensory experiences; curriculum includes a mix of reading and comprehension, projects, labs, inquiries, etc.

Specialized Support

Tiered-rigor for acceleration & support; fully individualized reading/math support cohort option starting in 3rd grade+. Tutoring & remediation available!

Math with Confidence K - 6th

Comprehensive grade-level concepts, plus facts, and fluency through 6th grade using a multisensory, hands-on approach that includes games, practice, and review.

ELA (M/W): Pillars of Reading & Writing

Lindamood Bell, *Heggerty*, *UFLI (OG)*, plus teacher-curated hands-on resources for Phonemic awareness, phonics, vocabulary, morphology, fluency, grammar, & spelling.

ELA (T/TH): Critical Reading & Writing

NatGeo REACH + curated reading and writing units (novels, essay types, etc.) Understand, analyze, infer & respond through discussion and effective writing.

Science

Standards-aligned concepts delivered through a mix of reading and comprehension, online resources, craftivities, labs, deep-dive projects, research and reporting, etc.

Social Studies

Each year features a study of one region of the United States (geography, tourism, agriculture, economy, indigenous people), a key period of US History, and explorations into ancient cultures! Hands-on and FUN!

Home Study (Hybrid Only) - 2 days p/wk

We operate on a 4-day academic schedule. Families must complete 2 assigned math lessons per week. A weekly ELA curriculum packet will be curated for you based on your child's needs. Light Science/Socials.

WEATHERSTONE ACADEMY

Accommodate, Accelerate, Achieve!

Weatherstone offers a curated, student-centered education that blends academic rigor and individualized support, guiding each learner from where they are now to where they want to be in a supportive, stress-reduced environment that increases confidence and sparks a passion for learning!
