Friday Learning Lab (A La Carte) <i>Hosted at EdVentures</i>	Friday	8:45 - 2:45	\$	300.00	\$	3,300

### NOTES:

1. Our program is fully reliant on annual tuition commitments. As per the policy in most private schools and hybrid programs in our area, enrollment is a full-year commitment designed to ensure continuity and consistency in our program for all students. Annual tuition contracts secure teacher positions and the resources necessary to provide high-quality instruction. Families are responsible for the full annual tuition, regardless of withdrawal. Prorated withdrawals will be considered on a case-by-case basis with a 60-day notice, but will incur a financial penalty of no less than 50% of the remaining tuition from the last day of attendance. Loss of employment or moving out of range will be permitted with a 60-day notice. By enrolling, families agree to uphold their financial commitment and support their student's active participation in our program throughout the academic year.

2. A 10% sibling discount is offered to 2nd and subsequent children in an immediate family. A 5% discount is offered for payment in full by check or money order by July 1 (tuition only; fees are not eligible for discounts);

3. The annual tuition accounts for up to three "emergency closures" per class, per year, without make-up sessions. In the event that closures exceed this limit for any given class, the program will provide a make-up option, such as an asynchronous learning day, a synchronous virtual learning session, or an additional field trip, fully covered by the program.

4. There are no Friday classes on the 2nd Friday of Oct, Dec, Feb, or March; and no class the last Friday of the school year to accommodate family field trips and the year end party. These closures have been deducted from the cost of tuition.
